ACKNOWLEDGEMENT

It is a privilege for us to have been associated with of Prof. S. V. Chaudhari , our guide during Project Stage-I have been greatly benefited by her valuable suggestion and ideas. It is with great pleasure that we express our deep sense of gratitude to her valuable guidance, constant encouragement and patience throughout this work.

We would like to express gratitude To Prof. P. S. Sanjekar , our Project Coordinator, for your valuable guidance and support throughout the course of this project. Your insightful feedback and constant availability for discussions have significantly enhanced our understanding and execution of the project.

We express our gratitude to Prof. Dr. U. M. Patil [HOD of AIML and Data Science] for her constant encouragement, co-operation and support and also thankful to all people who have contributed in their own way in making this success.

We would also like to extend our gratitude towards Director Prof. Dr. J. B. Patil for providing us with all the facility that was required.
